## PROTECT YOUR LEGACY...AND YOUR FAMILY

Imperial Pools has been a leader in the inground pool industry for over 60 years, with an emphasis on quality and consumer safety. For the continued enjoyment of your backyard swimming experience, please follow the following safety tips:

- 1. Read Safety Literature** including the Pool & Hot Tub Alliance's brochure, "The Sensible Way to Enjoy Your Inground Swimming Pool."
- 2. Do Not Allow Diving or Jumping** into the pool or running around the pool, and avoid alcohol consumption. The use of diving or sliding equipment can be hazardous. Imperial Pools, Inc. does not recommend the use of these appliances. If used, care should be exercised to use only equipment meeting the recommended safety codes established by the Pool & Hot Tub Alliance.
- 3. Stay Alert** and carefully supervise all the swimmers in your pool—especially small children.
- 4. Install a Fence** to secure your pool from unsupervised and unauthorized use.
- 5. Use Safety Signs** and labels and keep rescue devices nearby, such as life rings or ropes.
